## Alphabet

### 26 Alphabet Texts

#### Interactive Read-through

Each letter has an animated interactive text with the focus letter highlighted. e.g. Click on the focus letter. Click on a word beginning with the focus letter. Each text covers both upper and lowercase letters.

After the text, two pages are used to review letter knowledge.

The last screen is the last page of the text where children click on objects in a picture that begin with the focus letter.

One CD-ROM covering all 26 alphabet texts

#### Form the Letter

Forming and recognizing letter shapes (upper and lowercase)

#### Letter Sounds

(initial letter sounds) Click on the word that begins with /d/ (egg, fan, dog).

#### Letter Recognition

(initial letter names) Click on the word that begins with d (dinosaur).

#### Alphabet Game

A game where every letter of the alphabet—both lower and uppercase—is put in order, then a race against the clock.

#### Print Activity

A practice page for each letter that can be printed off

One CD-ROM covering all 32 word family texts

#### Interactive Read-through

Each CD-ROM comprises an interactive read-through of the text and a game that extends the learning.

The focus word family is highlighted. The voice-over blends the onsets and rimes. Children are asked to see words ending with the focus word family. They make words by clicking on the rime.

#### Review

Click on and say all the words in the text with the focus word family as they are spoken in a random order.

#### Games: Fridge Magnets

Race against the clock to drag onsets and rimes and make words with the focus word family.

#### Rocket Launch

Drag the words from the focus word family to make a rocket. Move Lettergetter in the rocket with the mouse to catch the bubbles with the word family on them.

#### Word Scramble

Drag onsets and rimes to make words with the focus word family. Children race against the clock to help Lettergetter get to the treasure.
